NSNA is pleased to announce two 3M Littmann stethoscope programs to benefit members and chapters as the brand thanks nursing students for answering the call to care in times of need.

The 3M School Sales Program rewards the purchase of every 10 Littmann stethoscopes with one credit toward the donation of Littmann stethoscopes to the student organization that coordinates the sale. In another benefit, the power to learn will be in the palm of your hand. 3M™ Littmann Learning App, powered by eMurmur®, is a self-directed app for students or healthcare professionals looking to better recognize benign and pathological heart sounds, murmurs, or lung sounds. The app gives you access to unique basic educational tool to help you learn how to improve your auscultation skills. It is available to download from the App Store® or Google Play Store®. The app also allows nurses and nurse practitioners in the US to earn 22 Continuing Education (CE) credits through the study of heart sounds and murmurs.

For details on school sales program rewards and education apps, please visit www.littmann.com/3M/en_US/littmann-stethoscopes/education/student-resources/school-sales-program/.
